4 _____

Advanced practicum lab is taken each term for two terms. A minimum of eight (8) credits is required, although a student may take a maximum of twelve (12) lab credits to achieve competence. Competence is evaluated by EEFS instructors. To be considered for practicum, students must 1) be enrolled in the Oregon Child Care Division, Criminal History Registry; 2) submit verification of measles immunization; and 3) complete a Food Handlers Certificate.

Required Early Childhood Electives

This degree requires the completion of eight (8) credits of Early Childhood Education and related electives. See the approved elective list in the current course catalog.

ECE Electives 8 _____

Total Credit Hours = 90

Additional Information

TBCC will offer the coursework for this degree, but students wishing to complete this program in a 2-year period will need to take courses from PCC.
