

Get a Quality Education and Save Money

Earn your degree without having to leave your community and enjoy...

- Small Classes
- Great Instructors
- Staff Who Care
- Substantial Cost Savings

The cost of attending TBCC is about half of most 4-year colleges. The money you save your first 2 years might just pay for your tuition the final 2 years!

Our Associate Degrees:

For full-time students, you can earn a 2-year degree in 2 years:

- Associate of Arts, Oregon Transfer Degree (AAOT)
Best for students who intend to pursue a Bachelor of Arts degree at an Oregon University System school.
- Associate of Science, Oregon Transfer Degree – Business (ASOT-BUS)
Best for students who want a Bachelor of Science degree in Business at an Oregon University System school.
- Associate of Science, Transfer Degree (AS)
Best for students who plan to continue toward a 4-year degree in the sciences or who want greater flexibility or wider choice of electives.
- Associate of General Studies Degree (AGS)
Best for students who want a broad education, or the ability to customize their degree program to match specialized major requirements.
- Associate of Applied Science Degree (AAS)
Best for students who want a 2-year degree in a specific field (e.g. Accounting, Marketing, Nursing, etc.).
- One Year Certificate
Best for students who need additional training for a current position or to enhance a resume.

Certificates also are a stepping stone to achieving a 2-year AAS degree as stated above.

**INDUSTRIAL
MAINTENANCE
Pathway Certificate**

Industrial Maintenance: Pathways Certificate

Students who successfully complete the Industrial Maintenance Certificate will be able to apply collegiate level thought processes in writing and computer literacy as necessary in the workplace, apply OSHA certified practices as well as Red Cross safety and first aid procedures to insure a safe working environment, and use Blueprints and techniques of SMAW to make repairs and build equipment in industrial settings.

Degree Requirements

1. College entry-level competencies in English and in computational skills.
2. 37 total credit hours:
 - a. WR 115 is required for graduation
 - b. MTH 65 is required for graduation

Tillamook Bay Community College (TBCC) delivers credit instruction, certificates, and degrees through its contract with Portland Community College (PCC). PCC is accredited through The Northwest Commission on Colleges and Universities (NWCCU). Credits, certificates, and degrees earned at TBCC appear on PCC transcripts and are transferable to 4-year institutions subject to the specific policies of those institutions.

Required Industrial Maintenance Core

IMT102 Industrial Safety: OSHA	4
WLD102 Blueprint Reading	4
WLD111 SMAW/Oxy-acetylene Cutting	4
HE125 First Aid & Industrial Safety	3
CIS120 Computer Concepts I	4
MTH 65 Introductory Algebra-2 nd Term	4
WR115 Introduction to Expository Writing	4

The Industrial Maintenance Technology (IMT) program provides a pathway for high school students, employees, and job-seekers, through college courses, certificates, and/or apprenticeship to the AAS degree. After completion of the AAS in IMT, graduates will be prepared for career advancement within the industry.

Additional education might lead to baccalaureate degrees and beyond in management or engineering.

Career opportunities include local and regional wood products mills, secondary wood products companies, local food processors, and additional opportunities outside the area in manufacturing and maintenance for pulp & paper, wood products, food processing, warehousing, chemical processing etc. within Oregon or any industrial application needing maintenance technicians in the electro-mechanical systems and automation fields.
